### **The Estella Scott-Roberts Foundation Receives Donation**

The Estella Scott-Roberts Foundation (ESRF) recently received a CI\$2,500 donation from the funds raised at the 3<sup>rd</sup> Annual Mistletoe “All White Affair” party organised by Amicus Investments Ltd. and hosted at Abacus in Camana Bay. The ESRF would like to express their thanks to the organisers and those who came out to the event for continuing to support the development of the ESRF, which simultaneously keeps Estella’s memory alive and enhances the community.

Rayle Roberts, Chairperson of the ESRF, stated that: “It is only through community partnerships and donations such as these that we can continue to develop projects and educational campaigns that further achieve the Foundation’s vision of ‘Gender Equality and a Life Free of Violence for All’. These donated funds, for example, went directly towards assisting us with our most recent, successful event, the Steps to End Silence Walk to commemorate Sexual Assault Awareness Month in April”.

“The promoters of Mistletoe were pleased to work with the Estella Scott-Roberts Foundation for this event, which raised funds for the direct benefit of the Foundation,” said Matthew Wight, one of the promoters. “With over 500 people in attendance and the majority of which dressed in accordance with the white theme, the support for this worthy cause was unwavering. We look forward to putting on the 4<sup>th</sup> annual event at the end of this year.”

The Estella Scott-Roberts Foundation, a not-for-profit company, seeks to carry out the work of the late Estella Scott-Roberts by working towards a life free of violence for all; carrying out activities to facilitate the empowerment of women, men and children; advocate for and support equity and equality for women and girls in all areas of life; to support policies and research
